# Bali

Sample Itinerary Programme

*6 Days / 5 Nights Bali Programme*

### Day One

You will be greeted by a royal Balinese welcome dance at the airport, welcome banner and flower garland. On your first night, your welcome dinner will be a Beach Barbecue Night, a casual and festive affair at which you can relax and unwind.

### Day Two

In the morning, you will have your own meetings at the hotel. After lunch, take your pick of the optional activities below:

#### Rural Charm of Bali

Visit a local house and temple and enjoy welcome cocktails and Balinese snacks on arrival. You will be dressed in traditional costume for the day and help the locals as they prepare traditional offerings to the gods. Enjoy a scrumptious lunch of typical Indonesian fare, followed by lessons in Balinese dance and the gamelan musical instrument in the afternoon.

#### White Water Rafting

White water rafting down the Ayung River is one of Bali's most spectacular experiences. In between the pulse-racing moments shooting the Class 3 and 4 rapids, you will float through vine-hung gorges, and pass tranquil rice paddies and stunning jungle scenery while observing rural Balinese life along the river.

#### Art & Craft Tour

A day filled with Bali's magnificent scenery and vibrant arts scene. You will visit several art and craft venues, the royal palace of Ubud and Ubud market. Lunch will be at a beautiful restaurant set amid rice fields.

#### Horse Riding by the Sea

Join our horse-riding treks which take you through the lush rice terraces around Kerobokan, or come with us on a gallop through the surf along the beautiful south-western coast.

## Bali Sample Itinerary Programme

### Mount Batur Cycling

This stunning downhill trail from Mount Batur to Ubud will give you an insight into a Bali that is not commonly seen. Start your tour with morning tea and refreshments high on the side of a volcano, overlooking Lake Batur and Bali's highest volcanic crater. Frequent stops throughout the trail will provide you with a day of education and fun, before you conclude your trip with lunch at Puri Wulandari Boutique Resort, with its spectacular views of the Ayung River.

### Golf in Paradise

Backed by volcanoes, surrounded by paddy fields and with vistas of the Indian Ocean, Nirwana is one of the world's most dramatic and challenging golf courses. Each hole requires great strategy and concentration. Losing a ball or two in this quintessentially Balinese setting is standard, but the exhilaration of taking on the course is quite exceptional.

### Day Three

The day will be for your own meetings at the hotel. For dinner, indulge in a VIP dinner at a private beach villa. Soak in the relaxing atmosphere with a good measure of Balinese hospitality. Hot and cold canapés will be served, complemented by a premium open bar. Three chefs will prepare your dinner spread while the languid tones of a percussion orchestra and solo saxophone fill the air.

### Day Four

The day will be for your own meetings at the hotel. After lunch, it is time for teambuilding activities with delegates split into eight groups. A buffet dinner at the hotel ballroom brings your day to a pleasant close.

### Day Five

The day will be for your own meetings at the hotel. In the evening, choose to have dinner at one of these locations: PJ's, Bali's most famous Italian restaurant by Jimbaran Bay; Ku De Ta, an oasis of elegance, style and service in Seminyak; or The Living Room, where you will dine in a sensual atmosphere amid billowing drapes and candles.

### Day Six

The day will be for your own meetings at the hotel. In the evening, choose to have dinner at these locations: PJ's, Bali's most famous Italian restaurant by Jimbaran Bay; Ku De Ta, an oasis of elegance, style and service in Seminyak; or The Living Room, where you will dine in a sensual atmosphere amid billowing drapes and candles.
